I am writing this letter to express the displeasure of the 15,000 members of the United Mine Workers of America, District #2, and their families who live and shop at either ACME or any other Supervalu owned establishments in the Commonwealth of Pennsylvania for your company's unjust and unlawful position in regard to bargaining with the United Food and Commercial Workers, Local Union #1776.

We support the ACME workers who are willing to stay on the job under their current contract while negotiations take place on a new contract. But ACME has threatened to terminate its contract with its workers. Please be advised that the members of my Union will not tolerate a lock out. I urge you not to take any action that is against the best interest of the Commonwealth, the employees and the company.
