P.O. Box 990

Dear Executives:

With this letter, we are indicating our support for the Acme workers who are willing to stay on the job under their current contract while negotiations take place on a new contract. But Acme has threatened to terminate the contract with its workers. Please be advised that the members of the Philadelphia Federation of Teachers will not tolerate a lock out.

I urge you to not take any action that is against the best interests of our community, the employees and the company.

Sincerely,

JERRY T. JORDAN
President
