ACME Markets, Inc.

Dear Ms. Spires:

I am writing on behalf of the 20,000 Service Employees International Union (SEIU) members this union represents across Pennsylvania. Many of my members are concentrated in Philadelphia and Southeastern Pennsylvania. Many SEIU members are *your* customers and consumers.

Our union insists that ACME withdraw the threat to implement its last best and final offer with the United Food and Commercial Workers (UFCW) 1776 and return to the bargaining table. We support ACME workers who are willing to stay on the job under the current contract while negotiations are ongoing.

Stop the threats to these workers! Threats will negatively impact ACME and the communities it serves. Do not gut health benefits, decimate pensions and lower the standard of living for UFCW 1776 workers who have labored for ACME for many years.

Sincerely,

Kathy Jellison
President
