RE: Acme Contract with Members of the United Food
and Commercial Workers Local 1776

Dear Ms. Spires:

I am principal officer of the largest Teamsters local in the City of Philadelphia with approximately 4,000 members.

I am writing to let you know that we support the Acme workers who are willing to stay on the job under their current contract while negotiations take place on a new one. It is very disturbing to learn that Acme has threatened to terminate its contract with its workers. Please be advised that members of my union will not tolerate a lock out. **I urge you not to take any action that is against the best interests of our community, the employees and the company.** We will be closely monitoring this situation in the coming months and remain hopeful that the parties will reach an amicable settlement as quickly as possible.

Sincerely,

DANIEL H. GRACE
SECRETARY-TREASURER
